**Subject:** FW: For Review: HEC Budget QFRs

As mentioned this morning I'm resending these QFRs so they are at the top of the inbox. I haven't had anyone reach out to me stressing urgency so concur with Josh's comment they be put in the queue of things to review.

**Subject:** For Review: HEC Budget QFRs

Attached are a first draft of responses to QFRs following the Administrator's HEC budget hearing. Not sure if you've heard directly from OCIR on these, but my understanding is there's a rush to get these to OMB and then to the Hill (I think OCIR wanted them last Friday for their review). Not sure of the reason, so for now I vote for adding them to the queue of things to review, and we'll get them turned around as soon as we can.
